Dear Friends in Christ,

Did you ever have a truly inspiring teacher?

In your schooldays, was there someone who really made a subject come alive? A teacher who embodied the excitement and appeal of a subject so that you could feel it too?

There is a very cruel saying that "those who can, do, and those who can't, teach."

The best teachers of course, both do and teach.

The science teacher whose practical experiments are inspirational and fun. The swimming teacher who jumps into the water and shows you how to do the stroke. The football coach who is on the pitch with you, not standing on the touchline. The drama teacher who gets the best out of every student by taking each role in turn.

The same applies to those of us with no formal title as teacher, but who still teach about life, and about faith – in the practical example of their own faithful lives.

God the teacher knows the value of the practical example.

The Creator did not stand at the front of a music class, dictating how many sharps and flats should be in each song. God dressed a song in feathers and lovingly released it into the sky.

In Jesus, God gave us the supreme example of divine love for human beings, by becoming human. By getting in the water, joining in the game; showing us exactly how the part should be played. Jesus is still teaching today, teaching us... and teaching through us. Few of us have the formal title of teacher, whether in classroom or church. But we all have a teaching ministry, and we are all on teaching practice.

It is called practising what you preach. Living out, in the week and the world, what we say in church on Sunday. Following the supreme example of a teacher who put his words into action. But because we are all human, all fallible, we will not always get it right. And it will not always be easy.

It was not easy going to the cross, as the anguish in Gethsemane revealed. For us, too, there are often tough decisions, painful choices to make between what we want to do and what we know we ought to do... if we are to witness faithfully to Jesus and take up our cross.

"Those that can, do. Those that can't, teach." Not only is the saying unkind, but it is also inaccurate. Because those who cannot do, cannot teach. Not successfully anyway. The most effective teachers are those who also do.

To use a modern idiom, if we are to bring the good news of Jesus to others, it is no good "talking the talk" if we do not also "walk the walk"!

***Yours in Christ, Fr. Andy***

# All Saint's Church, Dunterton

The Future: We were delighted to host the Archdeacon of Plymouth, Jane Bakker, at our second "Tea & Chat" of the year in the church on May Day.

It was a very special day for us because, in addition to the pleasure of meeting with Jane, she was able to confirm that the Notice of Closure for Dunterton Church has been withdrawn. It was good to share our story of recovery for the church with Jane who offered her prayers and support for the future. It was good to hear that Dunterton is often being given as an example to other churches with falling congregations of what is possible given the right commitment and effort. Jane also hopes to be able to return to the church in the near future to take one of our services – watch this space!

Thank you to everyone within the Friends & Supporters of Dunterton Church Group who have worked so hard to save the church from closure, and to the wider community who have supported our services and events, including the annual River Walk which our principal source of funding for the church.

Events: Our first event of the year was held on Saturday 13th April at Bradstone Manor

Barn where Dunterton challenged Milton Abbot to a Skittles competition. 33 people battled it out with some spectacular "strikes" in the last round winning the day. The evening raised funds for both churches and we are hoping that this may become an annual event.

**Save the Date** – this year's River Walk will be taking place on Sunday 20th October 2024. Same route as last year with tea & cake refreshments at the end.

SERVICES AT DUNTERTON CHURCH – DATE & TIME	
Sunday 21st July	11am Holy Communion
Sunday 6th October	11am
Sunday 3rd November	11am
Wednesday 25th December	11am Holy Communion

**Food Bank** - please don't forget to bring your donations along to the church.

## **St. Mary's Church, Sydenham Damerel**

Like everywhere else, life in Sydenham Damerel has continued to be dominated by the wet, grey weather! However there have been the odd dry days when all you can hear is the buzz of lawn mowers and the hum of the bees on the pungent wild garlic.

The church was a riot of beautiful spring colour for the Easter service.

It was wonderful to have so many volunteers donating their time, skill and of course flowers to make the church look so beautiful.

A rather fine April Fool pranked the village – detailing a Women's Institute style naked calendar to raise funds for Saint Mary's. It was very funny and cheered us all up considerably!

Our litter picking has been formalised with 8 teams of Community Litter Warden's each being allocated a set route.

As the hedgerows burst into colour we all hugely appreciate the efforts all those involved.

This year at St Mary's we have decided to join in with "No Mow May" to do our bit to encourage pollinators and to hopefully lock away some atmospheric carbon below ground.

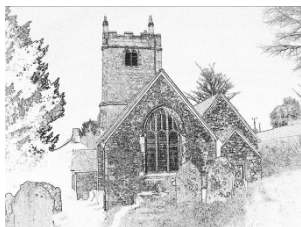

The annual plant and seed exchange has started up in the porch of St. Mary's. This is a wonderful community initiative to share and swap surplus seedlings, plants and, as the season progresses, excess produce.

Plans are being made to commemorate the 80th anniversary of D Day, in St Mary's on June the 6th . If the weather should dry up and the sun should shine, a summer croquet tournament is planned to begin in

June!

Finally, we have all been avidly watching, 'Beyond Paradise' on BBC 1 where The Royal Inn at Horsebridge often featured and one of our Parishioners, actor Jenny Coverack, had a significant role. Bravo Jenny!

## **St. Andrew's, Coryton**

### **Spring Wedding**

In mid-April St Andrew's was beautifully decorated as Lucy and Haydn celebrated their marriage. It was truly a multi-generational occasion with the youngest guest only a few days old. Rather than signing the register in the vestry - difficult for taking photos - a table was set up in the hospitality area which also provided perfect seating for a young family with a baby in a large pushchair.

### **Getting on the Fundraising Bandwagon**

Coryton has not done a lot of fundraising in the past few years. That is about to change. Repair work is urgently required to the guttering and to the tower roof. Water has been leaking in to the church and at times we have had to resort to

buckets to catch the drips. All of this is bad news for all the lovely stonework in the church, specifically the polyphant stone arches which are affected by the water incursion.

To address this, some fundraising events are in the planning stages to raise money for the repairs. The first of these, scheduled for Sunday 7th July in St Andrews, is an interesting presentation on the work being done locally to get equipment to the frontline in Ukraine. More information is provided on page 20 in the Parish News.

## St. Mary's Church, Marystowe

On 9th April, we gathered at Marystowe to say goodbye to Michael Martin. He was always so ready to help and his wonderful smile is sorely missed. His final visit to the Church by his favourite tractor brought a lump to all our throats. Our thoughts and love are with his family and especially Carol.

During April we had a number of trees felled due to Ash Die back. Whilst James Hitchcock's army of volunteers are willing, the work to the trees needed a professional surgeon, and we are very grateful to Red Squirrel for undertaking the work without charging for their time.

Many thanks also go to everyone who helped with the Afternoon Tea and Plant Sale on 27th April held to raise funds for the Churchyard.

We were blessed with a lovely day, a stunning selection of homemade cakes, and a plant stall that, thanks to contributions, offered a fabulous array of fruit, vegetable, salad, flowering plants and bags of holy chippings from the twigs from the felled trees.

James continues to be doing a great job in the Churchyard; please do follow him on the 'Friends of Marystowe Churchyard' page on Facebook. As many know the Churchyard Regulations are set by the Diocese and we do not have any local input; these Regulations are displayed on the Church Notice Board, and we would ask for your understanding as James removes non-compliant items.

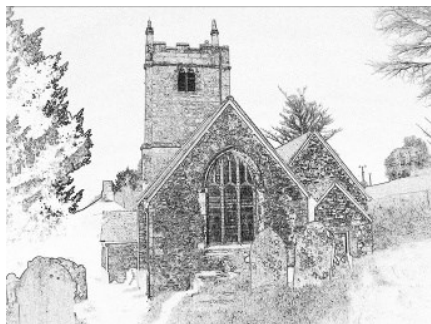

We have been planning more events at Marystowe so please put the following dates on your Calendar:

**22 June** - Table Top Sale 10am

**27 July** - Chillaton and Marystowe Fun Village Show and Cream Teas 2pm  
Further information is set out in the Magazine.

Wishing everyone a June and July with enough sun for the flowers and sufficient rain for the vegetables.

**Joy McSmythurs**

## **St. Constantine's Church,** **Milton Abbot**

We were very saddened to hear the news of the passing of Arthur Vigars at Easter.

Arthur served for many years as Tower Captain at Milton Abbot as well as Warden for Dunterton.

We look forward to welcoming everyone to our United Benefice service of Holy Communion at Milton Abbot on Sunday 30th June at 11.00am, in addition to our regular services of Sunday Praise on the second Sunday of the month and Holy Communion on the fourth Sunday of the month.

Keep a look out for news of the Quiz Night which Revd Phill is kindly organising for us in Milton Abbot church on Saturday 6th July at 7.00pm.

Dust off the grey cells, bring your own drinks and nibbles and come and have fun!

Pat's Pop-up Shop will be paying another visit to the Coffee & Company morning on Friday 12th July with lots of new things for your delectation!

If you can't make it on the day, do take a look at our on-line shop at:

## **St. Peter's Church, Lamerton**

Our Easter Services were well attended.

The Easter Eve service at Milton Abbot was again very calm and peaceful - thank you Andy, Phill, Tim and Richard for all your work at this time.

And a special thanks to Phill for the Lent course which was very thought provoking.

Many thanks to Andy for our Rogation Service as we continue to remember our farmers and our beautiful, fruitful Devon. We visited many local farms with photographs on a screen in church, accompanied by thoughtful readings, prayers and gentle music. A veritable feast was laid out for our 'Bring and Share Supper'. Thank you all for providing it.

The Cuban Evening was a great success so a big Thank You to Irene and her family for the tremendous amount of work they put in to it. We enjoyed a delicious spread of Latin American food and learned a lot about Cuban History from Abel. Phill and Morag's tango started the dancing which was enjoyed by many who joined in. The event raised over £550.

The fiendish 2024 Quiz was won by 94 year old Lavinia - this goes to show that age should be no limitation. We received 32 completed sheets and cleared over £330. Joint second prizes went to Cathy Paxman and Jeni and Paul Dunstar. Many thanks to all who bought the quiz sheets.

Last month we recorded the death of Barbara B sadly this month we note that her husband Bill has also died. Condolences to Sue and Bruce and their family.

Our oldest resident Mary Dawe has also passed away. A marvellous lady who last month joined us at a WI lunch and ate a very hearty meal. We met Mary and her husband Piers in the 80s when we purchased Dartmoor Grey Face sheep from them. They came up to us at Thorpe Park each year to register Dartmoors' from the East of England. We send our heart felt condolences to Sue and Will and all their family.

Make sure your pets are all spruced up for our Pet Service at Annie and Mike's on 16th June in Church Avenue at 11.00 am.

## A CHILD'S FOOTSTEPS TO FAITH

### Sheep Without a Shepherd

Did you know that sheep are the one of the most frequently mentioned animals in the Bible? If you search the Bible you will find more than 200 verses that mention sheep. Jesus quite often compared people to sheep and Jesus said of himself, "I am the good shepherd. The good shepherd lays down his life for the sheep."

Jesus and his disciples had been working very hard. They had been traveling from town to town teaching and preaching. The Bible tells us that they were so busy that they didn't even have a chance to eat. Jesus could see that they were tired, so he said to them, "Come with me by yourselves to a quiet

place and get some rest." So they got in a boat and went away by themselves to a quiet place. But guess what? When they got there, they looked out and saw a great crowd of people waiting for them.

It would have been an easy thing for Jesus to say to the crowd, "You all go on your way. We are tired and need some rest. Come back some other time." But Jesus didn't do that. He looked at the crowd and "He was moved with compassion because they were like sheep without a shepherd." What does "he was moved with compassion" mean? Does that mean he felt sorry for them? No, it means more than that. It means that when Jesus saw that they were like sheep without a shepherd, he was moved to action. Remember what Jesus said about himself? "The good shepherd lays down his life for the sheep."

"Leave them alone and they'll come home, bringing their tails behind them." Not Jesus! Not the "Good Shepherd!" He lays down his life for the sheep.

Father, we thank you for sending Jesus. We are thankful that he never leaves us wandering, lost and alone, without a shepherd to guide us. In Jesus' name we pray. Amen.

## Sheep without a Shepherd

When Jesus landed and saw a large crowd, he had compassion on them, because they were like sheep without a shepherd. So he began teaching them many things. Mark 6:34 (NIV)

## A Story on the Theme of Respect

### Grandparents versus Aliens

The fate of humanity was to be decided in a big football match; the last chance before aliens exterminated the human race. Only a few teams consisting of the best players from the world's top clubs could save humanity now. Well, them and a team of grandfathers so old and confused that even they had no idea why they had ended up on the list. And as often happens with these things, the team of granddads were the ones selected in the draw.

The aliens wouldn't budge: the draw was fair and the granddads would play the match. They did have one advantage, however... they could choose when and where to play.

No one wanted to train them. Everyone hated these old interfering and scatter-brained codgers. The only training consisted of gathering round to hear them tell their old stories and adventures over and over again. The boys and girls were fascinated by the stories even though it seemed they couldn't possibly be true.

When the aliens arrived to discuss where and when the game should be played, one of the grandchildren came up with a great idea: "We'll play in Wembley Stadium. My grandad always tells me about that stadium. And the game will take place in 1966." "In 1966? But that was almost 60 years ago!" replied the aliens.

"Don't tell us you're going to invade earth and you don't even have time machines?" "Of course we do! Tomorrow we will travel back in time and the game will be played."

The teams assembled at Wembley the next day. The strong and powerful aliens and the grandfathers entered the time machine. As the years rolled back, the aliens became small and weak, turning into children once more. The grandfathers, on the other hand, became young and strong again. They were now more than capable of carrying out the heroic feats they described to their grandchildren in their stories.

Needless to say, the wise old granddads with their young and strong bodies played brilliantly and easily defeated the team of aliens. When they travelled back to the present day, they became old, clumsy and full of wrinkles once more but this time no one made fun of them. Instead, they were treated as real heroes. Many came every day to hear their stories because everyone, including those who had poked most fun at them, knew that even the wrinkliest little old man had accomplished magnificent feats in the past.

YOUR CHURCH

# WEDDING

27

All of the Churches in South Tamar love weddings and we welcome the chance to share and celebrate with you. Even if you do not go to Church, please do think about having a Church wedding; we have six beautiful churches that have celebrated love and marriage for hundreds of years.

You are very welcome to have your wedding in one of our Churches, even if you do not go to Church and live outside the Parish.

You will need to have a 'qualifying connection';  
Please contact us to talk about how to qualify.

If you have been married abroad, are part of a same-sex relationship, planning a civil partnership, or have another reason for not wanting to have a Church wedding we are always delighted to talk with you about a Blessing too.

This can provide the spiritual dimension to your relationship.

Please remember the wedding Ceremony in Church is Christian and assumes you accept the Christian understanding of marriage.

Please contact us: [www.southtamar.church](http://www.southtamar.church)

## Lamerton Handbell Ringers

Lamerton Handbell Ringers resumed practices in early March and were soon looking forward to their first performance of 2024. The Team played “Alleluia Sing to Jesus” from The Lady Chapel at St Peter’s Lamerton for The Easter Day Service whilst the congregation were taking Communion. It was a lovely morning with the sun shining in whilst we were playing.

Practising continues regularly with the Team now looking forward to playing ‘The Dambusters March’ at the end of The Special Service in St Peter’s Lamerton to commemorate the 80th Anniversary of The D-Day Landings on Thursday 6th June.

Looking ahead still further in the year - The 51st Annual Handbell Festival will take place in Lamerton Sports & Community Centre on Saturday 12th October, 2024.  
All Welcome.

## **GARDEN NOTES BY DOUG**

I do like my garden. I've not finished it yet. It's a challenge. If I walk round it or look out of the window there is always something to think about and to enjoy. So much blossom this year and, gosh, sunshine and blue sky!

I've just planted the first tomatoes in one side of the greenhouse. Grown from seed without any trouble. 2 Money Maker, 2 Shirley and 1 Alicante. 3 Montellos are waiting for a big pot each, 2 of which will go outside. There are some spares in case anything goes wrong - an example being my Sweet Peas. I sowed a dozen or more, ages ago, in those deep root trainers which are thought to be

good for them.

There are just two left now and something has eaten the roots. Some grub or other. I hope they enjoyed them. I've sown some more but it's getting late now. Oh, well, mustn't be grumpy!

Forget-me-nots.

If you have any, you know why that's their name. They can be lovely at this time of year. Seed themselves, zero maintenance. They do take over, but they're easy to restrain - just pull 'em up where you don't want 'em. And, Foxgloves - you can see where that name came from.

Something I've not grown before but wish I had - Camassias. They have lovely tall spires, don't like being waterlogged or being in very dark shade, but otherwise can look after themselves. You can see them here behind the Phlox seed heads - the new year behind the last year and, yes, that is sunlight.

Enjoy what's your garden holds!

## NATURE NOTES BY BLUEBELL

Sunlit and rain washed, Spring turns into summer; the swallows and swifts are back. Apple and May blossom are pink and white, and bluebells flow through the woodlands and on banks in sheets of heavenly blue. White stitchwort is interspersed. The beauty of the lanes is breathtaking as the shuttlecock ferns unfurl, pink campion, daisies, delicate white cow parsley and golden buttercups are in flower. In Bluebell's field a little gang of dancing, bouncing, jumping madcap lambs chase and tease a fine dignified cock pheasant who struts through their field.

There are orchids in the wood edges and lane banks here in May, as Bluebell writes, nestled among the dog's mercury, stitchwort and bluebells, as the flowers of wild garlic fade. They are mostly Early Purples, with spotted leaves. Geoffrey Grigson (The Englishman's Flora 1958) lists about 50 regional common names for these orchids, including "adders' tongue" in Devon, so they must have been much more plentiful than they are now. They are not poisonous, perhaps the splotches on the leaves suggest the markings on an adder. They may be the "long purples" of Shakespeare's ambiguous description of Ophelia's garland in Hamlet.

Hundreds of Early Purples are reported to be lining the Camel Trail between Wadebridge and Padstow this year.

There are fifty or so native orchids in the UK, many are breathtakingly exotic in shape and colour; some now extremely rare. Many are named after a fancied shape made by their petals, such as Lady's Slipper, Military, Lady, Early Spider, Monkey, Humble Bee, Fly Orchids, Butterfly; others are Helleborine, Burnt Tip, Green winged, Twayblade, Marsh and Heath Spotted. Their spore is light as dust and can be windblown long distances.

Now, in mid-May, sleepy queen hornets are emerging from their winter rest seeking a place to build their nests. They look huge, (about 30-35mm/1.5 ins though they can seem much bigger) and sound alarming and fearsome, but they are not usually aggressive. They look like very large wasps with bright reddish-yellow markings. They are social insects and build a nest like a wasps' but bigger, pale brown, made of chewed wood pulp; the observation of which first taught the Chinese how to make paper. Be alert for Asian hornets, which are slightly smaller and darker, and dangerous to bees and to humans.

### RECRUITMENT OF ANNA CHAPLAINS AND ANNA FRIENDS....

..... across our local Communities.

Anna Chaplains offer spiritual support to older people, wherever they may live, in their own homes , in care settings or for people living in sheltered accommodation.

Another way of describing this work is akin to giving pastoral care support. Anna Chaplaincy has a training built in ( paid for by Exeter Diocese ) which covers all skills required to be a volunteer chaplain. This includes, listening skills, learning in more details about the ageing process and talking through issues such as dementia management.

Rev'd Andy our local incumbent is very positive about this model of giving spiritual support, and would happily have a conversation with anyone who is interested in working more closely with elderly people.

The number of hours that you commit is entirely dependent on your availability.

Anna Chaplains usually commit to 1-2 days a month, although when you make visits is based on your own diary flexibility. Anna Friends who support the Chaplains doing very similar work, usually have less time available, and may find that 1/2 day a month is sufficient time to still be of value in offering spiritual.

support to local people.

Annie Jefferies

Devon Anna Chaplain co-ordinator.
